I would like to share some guidelines to ensure a smooth and successful event for both of us.

1. Technical Requirements:

- Ensure that participating students have access to stable internet connections and suitable devices (laptops/desktops).
 - Advise students to test their audio and video settings prior to the event to avoid any technical issues during interviews.
2. **Platform Familiarization:**
 - Familiarize students with the Zoom platform/software that will be used for the placement drive.
 - Provide guidance on how to join meetings, mute/unmute audio, and use other essential features.
 3. **Dress Code and Etiquette:**
 - Emphasize the importance of maintaining a professional appearance during online interviews.
 - Encourage students to find a quiet and well-lit space for interviews and to minimize distractions.
 4. **Preparation:**
 - Advise students to research participating companies beforehand and prepare questions to ask during the interviews.
 5. **Schedule and Timing:**
 - Share the schedule of interviews with participating students well in advance.
 - Ensure that students are aware of their allotted time slots and any changes to the schedule.

We appreciate your cooperation in ensuring the success of the online placement drive. If you have any questions or need further assistance, please don't hesitate to contact me.

Thank you for your support.
