NATIONAL WEBINAR ON

Tokyo Olympics 2020 - India's Journey and Expectations

Organized by National Sports University, Manipur

DATE: 03 JULY 2021, TIME: 10:00 AM TO 06:00 PM

ABOUT THE WEBINAR

Olympic Games eulogize the triumph of excellence, grit and perseverance of an individual. Athletes transcend to achieve the ultimate goal of standing on the podium. Their performance inspires a whole new generation of new athletes. The journey of such endeavours starts from the socio-cultural and educational aspects of sports. It is essential to see the sports eco-system in those Countries where the significance of sport is embedded in the culture and perform better in the Olympic Games. Considering India's current socio-cultural and education eco-system in sports, our expectations from our athletes in the Tokyo Olympics 2020 should remain pragmatic.

The primary aim of this webinar is to find an answer to the question of how has our journey been in the previous Olympic Games and what can we expect from Tokyo Olympics 2020. The webinar would bring together the stakeholders working in diverse domains of coaching, education and administration to provide a favourable ambience for presenting the advancement and application in the field.

The webinar would bring together key speakers from across the different domains and let them share their first-hand experiences. This webinar will offer an ideal opportunity for the audience to immerse themselves in the discussions of conversant speakers in different sessions. The webinar events encompass topics that shall enhance awareness and inspire novel ways to promote sports culture in India.

The webinar will help coaches, athletes, and administrators assess the current climate and culture of sports in India and highlight the vital role that coaches play in developing athlete wellness, the unique opportunity, and the advancement of professional coaching. Discussion during the webinar will help identify short-term and long-term issues of athlete performance with their mental, physical and emotional perspective. Former Olympians, International
